Employer.

Company Profile

Founded in year 2000, Prayatna Consulting is a provider of IT consulting , IT Staffing and software development services with office in USA (Texas) and India (Bangalore).

Our purpose is to maximize potential and our success is built on service excellence, long-term relationships, and technology capabilities that drive efficiency and add value.

WE VALUE SHARED OWNERSHIP

WE PUT RELATIONSHIPS FIRST

WE INVEST IN OUR PEOPLE

WE EMBRACE TECHNOLOGY

"We truly believe that Technology makes it possible, but its people who make it happen"

Getting to Know Us

Ideation — 2000

The year it all began. A two-member team became 4.
By the end of the year, we were 10 people strong, with launching a new product and adding a **new division** - flexible Staffing Solutions for next generation staffing needs

Incubation — 2001

With the surge in demand for software development solutions, We added a **new vertical** - Software Development Services and spread our wings in the IT domain.

Maturity — 2010

The year of Purpose and Gratitude
We **turned strong** with some of the biggest clients

Optimize — 2019

To become a dynamic partner to our clients,
We **added another vertical** and started providing end-to-end Recruiting Process Outsourcing Solutions..

Improvise — 2020

The year **in Pursuit.** To cater clients with **future-ready** technologies like :
- Artificial Intelligence, Virtual Reality, Block chain, Machine Learning, etc.

Engagement Practices

Fixed Cost Model

If your company or you has a fixed set of software requirements or ideas for creating new solutions or service, then the fixed cost model will be the best suited for you.

Hourly Model

If you or your company has software development requirements that would demand adopting changes and flexibility, then the hourly model is best suited for you.
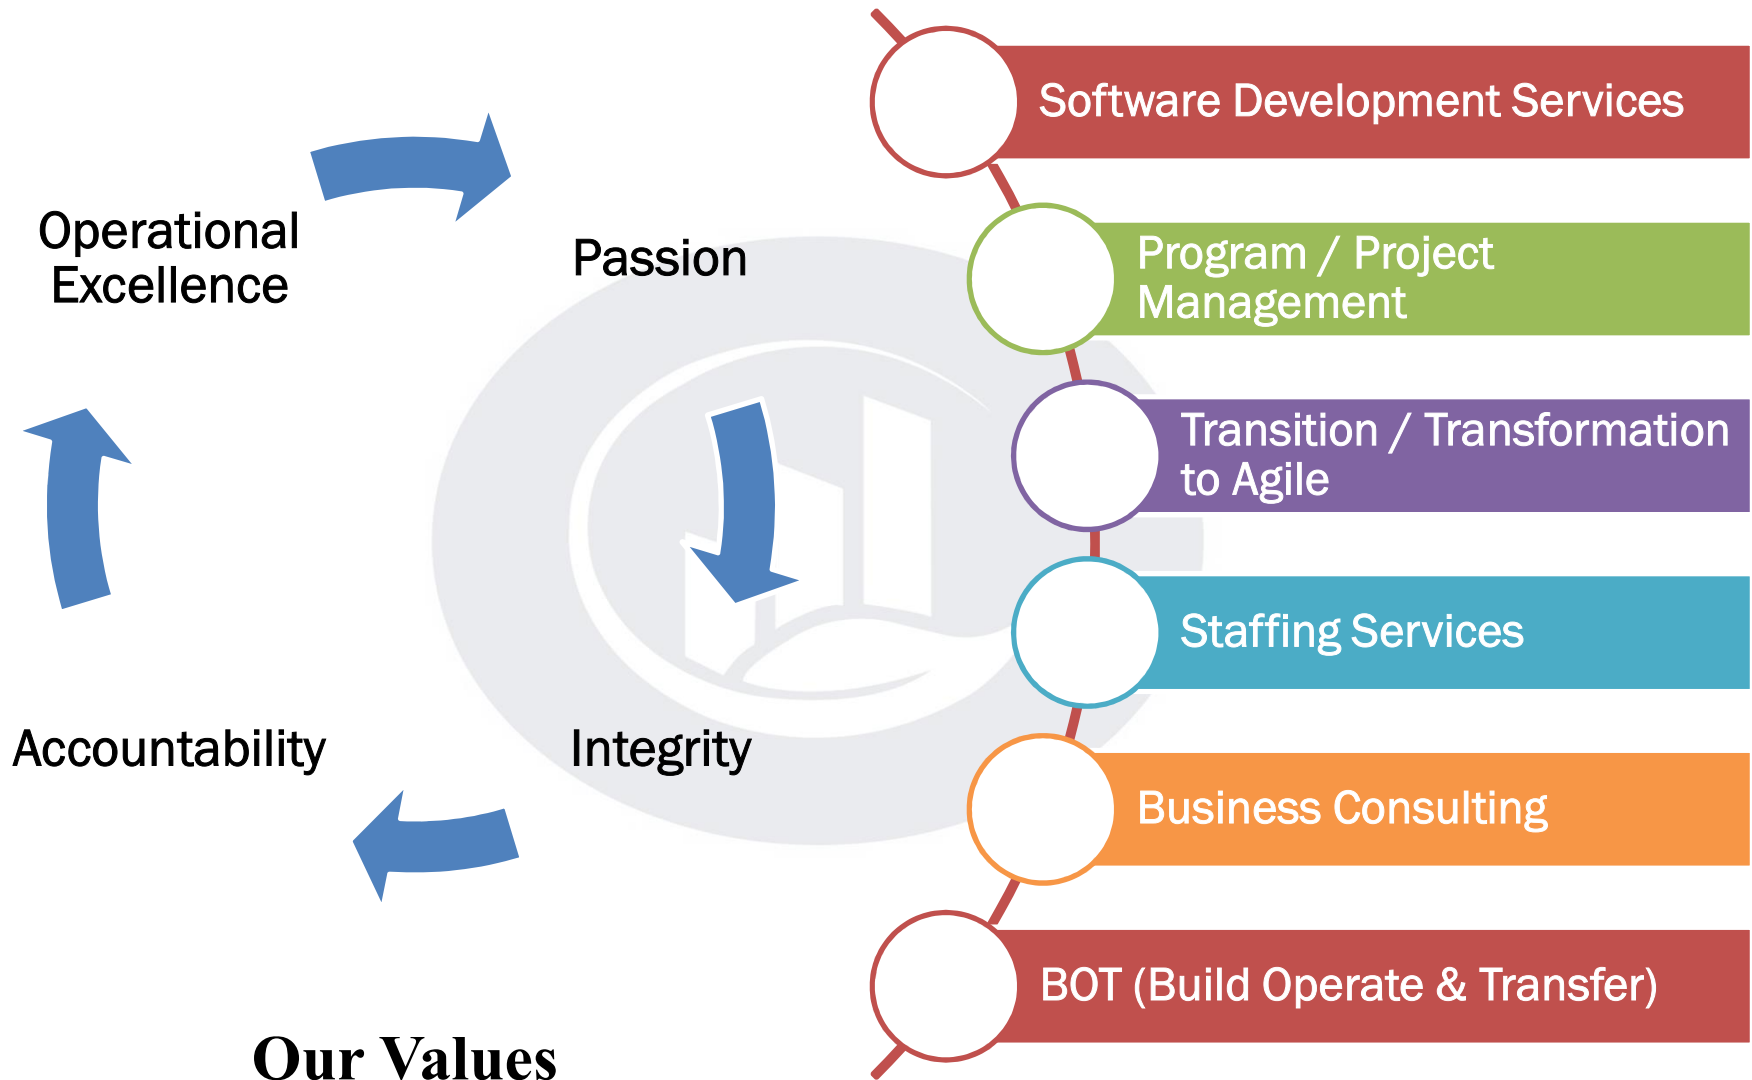

T & M Model

You can hire our dedicated resources as well. They will only be working on your project. A daily timesheet of your work will also be submitted to you. Even though you hire dedicated resource.
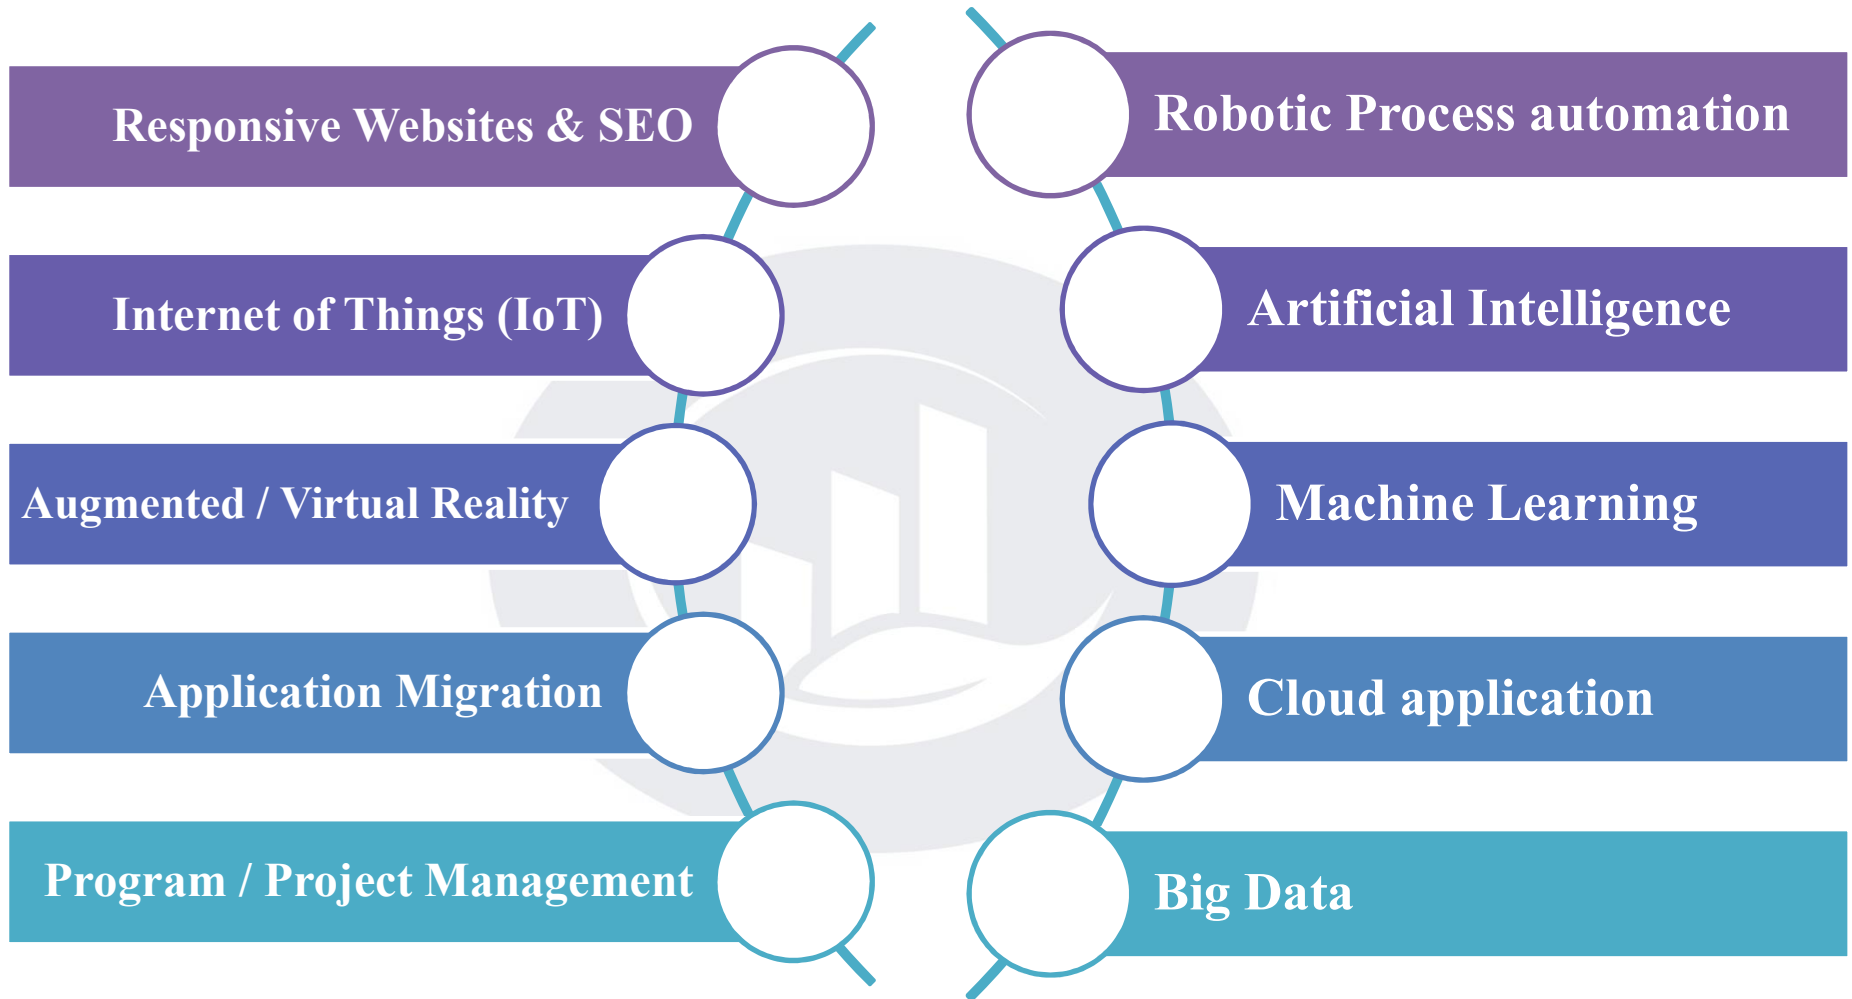

Partner With Us

You can also partner with us for your growth, diversification on a mutual benefit basis. We will give you qualified and experienced professionals with sound domain knowledge.
